Dear Parents and families

WELCOME TO BIZZY BODZ!

We are absolutely delighted to have been appointed as the new provider for Out of School Care Services for the children of Blockhouse Bay Primary School, based on site at the school.

Our service includes Before and After School Care, and School Holiday programmes.

Bizzy Bodz has been providing outstanding programmes to schools for nearly 20 years and all our programmes are run by a professional and dedicated in-house team who have a real passion for working with children.

Bizzy Bodz provides a fabulous service, caring for children in a fun, safe and exciting, child-focused environment.

The programmes include a healthy afternoon tea, free time, supervised homework and/or reading for all, planned activities, art, craft, games, and sports and plenty of fun and laughter!

Bizzy Bodz also offers extra-curricular specialty classes, under our Plus5 banner, and includes Art-tastic art classes, FabLab science classes, Move It! Sports classes and Kidz Kitchen cooking classes. Watch this space for further information later in Term 3!

Over the next few weeks, we will be establishing a wonderful team with some familiar faces alongside our experienced existing Bizzy Bodz staff. We will be offering an exciting holiday programme in July with Before and After School Care beginning Week 1, Term 3, 2024.

Bookings, using our AimyPlus platform will be open from Monday 27 May. Please visit www.bizzybodz.aimyplus.com to create an account and enrol your children. You can then download the AimyMe app from your app store, to make and manage your bookings.

Please see the attached brochure for further programme information and details.

Please feel free to call one of our fabulous support team in the office on 5309020 if you need any assistance.

We look forward to meeting you all over the coming weeks!

Kind regards
