Our curriculum

Teachers provide differentiated instruction for reading, writing and maths, allowing them to extend and focus on each child's strengths and needs.

We encourage students to ask questions and also teach with an inquiry approach to teaching and learning, allowing the students to drive their learning at times.

In summer we have swimming and this is a compulsory part of the curriculum. We provide physical education through sport, fitness and athletics.

Our timetable

Our timetable provides two 40 minute breaks. Each break includes 10 minutes of eating time.

There will be the opportunity for a 'Brain Food Break' around 10am.

What do I do?

- Pack two sets of food for your child.
- Include 'Brain Food' in each.
- Brain food might be: sandwiches, dumplings, fish, cheese & crackers, apple, sushi, wraps, rice or bananas.

A day at school looks like:

<p><u>8.30</u> Come to school and get organised for the day</p>
<p><u>8.50-10.50 Block One:</u> Learning</p> 
<p><u>10.50-11.30 - First Break:</u> Eat from 10.50-11am, then play</p> 
<p><u>11.30-1.00 Block Two:</u> Learning</p> 
<p><u>1.00-1.40 - Second Break:</u> Play, then eat from 1.30-1.40pm</p> 
<p><u>1.40-3.00: Block Three:</u> Learning</p>
